Stay at Home Order

1) To preserve the public health and safety, and to ensure the healthcare delivery system is capable of serving all, and prioritizing those at the highest risk and vulnerability, all residents are directed to immediately heed the current State public health directives, which I ordered the Department of Public Health to develop for the current statewide status of COVID-19. Those directives are consistent with the March 19, 2020, Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, found at: <https://covid19.ca.gov/>. Those directives follow: ORDER OF THE STATE PUBLIC HEALTH OFFICER March 19, 2020 To protect public health, I as State Public Health Officer and Director of the California Department of Public Health order all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at <https://www.cisa.gov/identifying-critical-infrastructure-during-covid19>. In addition, and in consultation with the Director of the Governor's Office of Emergency Services, I may designate additional sectors as critical in order to protect the health and well-being of all Californians. Pursuant to the authority under the Health and Safety Code 120125, 120140, 131080, 120130(c), 120135, 120145, 120175 and 120150, this order is to go into effect immediately and shall stay in effect until further notice. The federal government has identified 16 critical infrastructure sectors whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or destruction would have a debilitating effect on security, economic security, public health or safety, or any combination thereof. I order that Californians working in these 16 critical infrastructure sectors may continue their work because of the importance of these sectors to Californians' health and well-being. This Order is being issued to protect the public health of Californians. The California Department of Public Health looks to establish consistency across the state in order to ensure that we mitigate the impact of COVID-19. Our goal is simple, we want to bend the curve, and

disrupt the spread of the virus. The supply chain must continue, and Californians must have access to such necessities as food, prescriptions, and health care. When people need to leave their homes or places of residence, whether to obtain or perform the functions above, or to otherwise facilitate authorized necessary activities, they should at all times practice social distancing.

2) The healthcare delivery system shall prioritize services to serving those who are the sickest and shall prioritize resources, including personal protective equipment, for the providers providing direct care to them.

3) The Office of Emergency Services is directed to take necessary steps to ensure compliance with this Order.

4) This Order shall be enforceable pursuant to California law, including, but not limited to, Government Code section 8665.

9. [Executive Order N-34-20](#)

Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

2) Notwithstanding Government Code section 54952.2, subdivision (b)(1), or Government Code section 11122.5, subdivision (b)(1), or any other provision of the Brown Act or the Bagley-Keene Act, as applicable, all members of a local legislative body or state body may receive updates (including, but not limited to, simultaneous updates) relevant to the declared emergency (including, but not limited to, updates concerning the impacts of COVID-19, the government response to COVID-19, and other aspects relevant to the declared emergency) from federal, state, and local officials, and may ask questions of those federal, state, and local officials, in order for members of the legislative body to stay apprised of emergency operations and the impact of the emergency on their constituents. Nothing in this Order permits the members of a local legislative body or state body to take action on, or to discuss amongst themselves, any item of business that is within the subject matter jurisdiction of the legislative body without complying with otherwise applicable requirements of the Brown Act or the Bagley-Keene Act, respectively. Nothing in this section shall impact Paragraph 3 of Executive Order N-29-20.

3) The suspension of statutes identified in Paragraph 7 of Executive Order E25-20, issued on March 12, 2020, shall also apply to local governments, as applicable, to ensure adequate staffing to appropriately respond to the COVID-19 pandemic.

Any waiver granted by a directive shall expire 30 days from the date of its issuance, except that the Director may grant one or more 30-day extensions if the waiver continues to be necessary to protect health or safety or to ensure delivery of services. Directing the California Department of Corrections and Rehabilitation (CDCR) Secretary to temporarily halt the intake and/or transfer of inmates and youth into the state's 35 prisons and four youth correctional facilities

1. To protect the health, safety, and welfare of inmates in the custody of CDCR and staff who work in the facilities, I direct the Secretary of CDCR to use his emergency authority under California Penal Code section 2900(b) to suspend intake into state facilities for 30 days by directing that all persons convicted of felonies shall be received, detained, or housed in the jail or other facility currently detaining or housing them for that period.

Consistent with California Penal Code section 2900(b), the time during which such person is housed in the jail or other facility shall be computed as part of the term of judgment. I further order the Secretary to suspend intake into Division of Juvenile Justice (DJJ) facilities for 30 days. To the extent that any statutory or other provisions require DJJ to accept new juveniles into its facilities, such provisions are waived or suspended. The Secretary may grant one or more 30-day extensions of the suspension of intake or commitment if suspension continues to be necessary to protect the health, safety, and welfare of inmates and juveniles in CDCR's custody and staff who work in the facilities.

2. The Board of Parole Hearings is directed to develop a process for conducting parole hearings by videoconference and shall confer with stakeholders in developing this process. The Board of Parole Hearings shall endeavor to make parole hearings conducted via videoconference accessible to all participants specified in the Penal Code and the California Code of Regulations. This process shall be operational no later than April 13, 2020.

3. To protect the health and welfare of inmates, hearing board officers, inmates' counsel, victims and their representatives, and representatives of the people, the Board of Parole Hearings is directed to cease conducting in-person parole hearings for 60 days and shall postpone any scheduled parole hearings until April 13, 2020, or an earlier date at which it is able to accommodate conducting parole hearings by video conference. The Secretary may grant one or more 30-day extensions of the prohibition on in-person parole hearings if it continues to be necessary to protect the health, safety, and welfare of inmates in CDCR's custody, staff who work in the facilities, hearing officers, victims and their representatives, and representatives of the people.

4. For the next 60 days, and for the term of any extensions, inmates scheduled for a parole hearing can elect to continue with their timely parole hearing by videoconference, to accept a postponement of their parole hearing, or to waive their hearing.

a. Any parole hearing postponed under this provision shall be rescheduled for the earliest practicable date.

b. All rights for all participants delineated by state law will be applied to hearings postponed and rescheduled.

c. To the extent that an inmate is required to show good cause to waive or postpone his or her hearing under California Code of Regulations, title 15, section 2253,

subdivisions (b)(3) and (d)(2), such requirements are suspended for the next 60 days, and for the term of any extensions.

5. For the next 60 days, and for the term of any extensions, to the extent that any law or regulation gives any person the right to be present at a parole hearing, that right is satisfied by the opportunity to appear by videoconference. Specifically:

a. For inmates who choose to go forward with their parole hearing by videoconference during the next 60 days, and during the term of any extensions, the inmate's right to be present and to meet with a Board of Parole Hearing's panel under Penal Code sections 3041, subdivision (a)(2), 3041.5, subdivision (a)(2), and California Code of Regulations, title 15, section 2247, is satisfied by appearance through videoconference.

b. For inmates who choose to go forward with their parole hearing by videoconference during the next 60 days, and during the term of any extensions, Penal Code section 3041.7 and California Code of Regulations, title 15, section 2256, which provide that an inmate has the right to be represented by an attorney at parole hearings, will be satisfied by the attorney appearing by videoconference and by providing for privileged teleconferencing between the inmate and attorney immediately before and during the hearing. Such inmates will also be provided reasonable time and opportunity for privileged communications by telephone with their retained or appointed counsel prior to the hearing at no charge to either party.

c. For hearings conducted by videoconference during the next 60 days, and during the term of any extensions, the right of victims, victims' next of kin, members of the victims' family and victims' representatives to be present at a parole hearing will be satisfied by the opportunity to appear by videoconference, teleconference, or by written or electronically recorded statement, consistent with California Constitution, Article I, section 28, subdivision (b)(7), Penal Code section 3043, subdivision (b)(1) and California Code of Regulations, title 15, section 2029, and as provided in Penal Code sections 3043.2 and 3043.25.

d. For hearings conducted by videoconference during the next 60 days, and during the term of any extensions, Penal Code section 3041.7 providing that the prosecuting attorney may represent the interests of the people at the hearing will be satisfied by the opportunity to appear by videoconference, teleconference, or a written statement.

1) The deadline specified in Code of Civil Procedure section 1167 shall be extended for a period of 60 days for any tenant who is served, while this Order is in effect, with a complaint that seeks to evict the tenant from a residence or dwelling unit for nonpayment of rent and who satisfies all of the following requirements:

a. Prior to the date of this Order, the tenant paid rent due to the landlord pursuant to an agreement.

b. The tenant notifies the landlord in writing before the rent is due, or within a reasonable period of time afterwards not to exceed 7 days, that the tenant needs to delay all or some payment of rent because of an inability to pay the full amount due to reasons related to COVID-19, including but not limited to the following:

(i) The tenant was unavailable to work because the tenant was sick with a suspected or confirmed case of COVID-19 or caring for a household or family member who was sick with a suspected or confirmed case of COVID-19;

(ii) The tenant experienced a lay-off, loss of hours, or other income reduction resulting from COVID-19, the state of emergency, or related government response; or

(iii) The tenant needed to miss work to care for a child whose school was closed in response to COVID-19.

c. The tenant retains verifiable documentation, such as termination notices, payroll checks, pay stubs, bank statements, medical bills, or signed letters or statements from an employer or supervisor explaining the tenant's changed financial circumstances, to support the tenant's assertion of an inability to pay. This documentation may be provided to the landlord no later than the time upon payment of back-due rent.

2) No writ may be enforced while this Order is in effect to evict a tenant from a residence or dwelling unit for nonpayment of rent who satisfies the requirements of subparagraphs (a)-(c) of paragraph 1.

3) The protections in paragraphs 1 and 2 shall be in effect through May 31, 2020. Nothing in this Order shall prevent a tenant who is able to pay all or some of the rent due from paying that rent in a timely manner or relieve a tenant of liability for unpaid

Enhance the authority of California’s Judicial Branch to take emergency action

1) To the extent Government Code section 68115 or any other provision of law imposes or implies a limitation on the subject matter the Chairperson of the Judicial Council may address via emergency order or statewide rule issued pursuant to section 68115, that limitation is suspended. This paragraph is intended to remove any impediment that would otherwise prevent the Chairperson from authorizing, by emergency order or statewide rule, any court to take any action she deems necessary to maintain the safe and orderly operation of that court. Nothing in this paragraph is intended to in any way restrict the Chairperson’s existing authority under section 68115, or to alter in any way any order the Chairperson has previously issued pursuant to her authority under section 68115.

2) To the extent Government Code section 68115 or section 68072, or any other provision of law, imposes or implies a limitation on the authority of the Judicial Council or its Chairperson to provide (by emergency order issued pursuant to section 68115 or otherwise) for an emergency statewide or local rule or order amending the California Rules of Court or any other applicable court rule, or for any other expedited procedure for amending the California Rules of Court or any other applicable court rule, that limitation is suspended. This paragraph is intended to remove any impediment that would otherwise prevent the Judicial Council or its Chairperson from establishing (by emergency order or otherwise) an emergency or otherwise expedited procedure for making such amendments to the California Rules of Court or any other applicable court rule as the Judicial Council may, in its discretion, choose to adopt in response to the COVID-19 pandemic. This paragraph should be construed to extend the rulemaking authority of the Judicial Council to its constitutional maximum under Article VI, section 6 of the California Constitution.

3) In the event that the Judicial Council or its Chairperson, in the exercise of rulemaking authority consistent with Paragraph 2, wishes to consider a rule that would otherwise be inconsistent with any statute concerning civil or criminal practice or procedure, the relevant statute is suspended, subject to the following conditions:

a) The statute is suspended only to the extent it is inconsistent with the proposed rule;

b) The statute is suspended only if the proposed rule is adopted; and

c) The statute is suspended only when the adopted rule becomes effective. The purpose of this paragraph is to afford the Judicial Council and its Chairperson maximum flexibility to adopt any rules concerning civil or criminal practice or procedure they may deem necessary to respond to the COVID-19 pandemic, while ensuring that the rules adopted “shall not be inconsistent with statute,” as provided in Article VI, section 6 of the California Constitution.

4) In addition to any statute suspended pursuant to Paragraph 3, the following statutes are suspended:

a) Code of Civil Procedure section 2025.310, subdivision (b), to the extent that subdivision limits a court’s authority to provide that a party deponent may appear at a deposition by telephone.

b) Code of Civil Procedure section 1010.6, subdivisions (b) through (d), to the extent those subdivisions limit a court’s authority to order parties to accept electronic service, or to perform service electronically.

5) Nothing in this Order is intended to suspend or otherwise interfere with any rule of the California Rules of Court, any local rule of any California court, or any other rule or order of any California court, except to the extent the Judicial Council or its Chairperson may provide consistent with this Order or in a manner otherwise authorized by law.

Expand California’s health care workforce and recruit health care professionals

1) To assist in the care and/or to protect the health of individuals in hospitals and other health facilities, and due to the COVID-19 outbreak, the director of the State Department of Public Health may, to the extent necessary and only for the duration of the declared emergency, waive any of the licensing and staffing requirements of chapters 2 and 2.4 of division 2 of the Health and Safety Code and any accompanying regulations with respect to any hospital or health facility identified in Health and Safety Code section 1250. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to treat patients while protecting public health

and safety. To the extent the facility maintains a disaster and mass casualty plan, the facility granted a waiver shall be established and operate in accordance with that plan. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

2) To facilitate the continued provision of care due to the COVID-19 outbreak, the director of the State Department of Public Health may, to the extent necessary and only for the duration of the declared emergency, waive any of the professional licensing and certification requirements and amend scopes of practice of chapters 2, 2.35, and 8 of division 2 of the Health and Safety Code and any accompanying regulations with respect to certified nursing assistants, home health aides, and nursing home administrators, and chapter 3, division 2 of the Business and Professions Code and accompanying regulations with respect to certified hemodialysis technicians. The Department shall provide guidance to facilities directing the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to treat patients while protecting public health and safety. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

3) The certification and permitting requirements of the Radiologic Technology Act (as identified in Health and Safety Code section 27) are, only for the duration of the declared emergency, suspended for all persons: (i) whose certificate or permit issued pursuant to the Radiological Technology Act is expired, regardless of expiration date, or has been canceled; or (ii) who hold Radiography certification issued by the American Registry of Radiologic Technologists or are an American Registry of Radiologic Technologists Registered Radiologist Assistant; or (iii) who are credentialed as Radiology Practitioner Assistants by the Certification Board for Radiology Practitioner Assistants; or (iv) who are certified, permitted or otherwise authorized to perform radiologic technology by passing a State-required examination by a state other than the State of California; and (v) who are working under the supervision of a person licensed under the Medical Practice Act, except that the requirement to be under supervision shall not apply to a licentiate of the healing arts, as defined in the Radiological Technology Act; and (vi) who are deemed by a health facility as necessary workforce for purposes of this Order. The specific certification requirements of Health and Safety Code section 107110 are suspended for any person who is licensed under the Medical Practice Act (Business and Professions Code sections 2000, et seq.). Except for persons licensed under the Medical Practice Act, this suspension of certification and permitting requirements shall not apply to persons who have never been either certified or

permitted by the Department of Public Health, or certified, permitted, or otherwise authorized by the American Registry of Radiologic Technologists, the Certification Board for Radiology Practitioner Assistants, or any other state. This suspension of certification and permitting requirements shall also not apply to persons whose certificate, permit, or other authorization has been revoked or suspended for cause by the Department of Public Health, the American Registry of Radiologic Technologists, the Certification Board for Radiology Practitioner Assistants, or any other state.

4) To ensure hospitals are adequately prepared and staffed to treat COVID19 patients, the Director of the State Department of Public Health may temporarily waive licensing requirements in Health and Safety Code section 1277 and sections 70203(a)(2), 70701(a)(1)(E), 70703(b), and 70705(a) of Chapter 1, Article 3, of Title 22, that pertain to the credentialing and privileging of physicians. Any waiver shall include alternate measures that, under the circumstances, ensure the competency of physicians providing medical services at the hospital.

5) To facilitate the continued provision of care to individuals affected by the COVID-19 outbreak, the Director of the Department of Consumer Affairs may to the extent necessary and only for the duration of the declared emergency, waive any of the professional licensing requirements and amend scopes of practice in Division 2 of the Business and Professions Code, and any accompanying regulations. Professional licensing requirements should be interpreted broadly to effectuate the purposes of this executive order, and they include, but are not limited to, the examination, education, experience, and training requirements necessary to obtain and maintain licensure, and requirements governing the practice and permissible activities for licensees. The Department, in conjunction with the relevant licensing board, shall provide guidance identifying the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waiver may include alternative measures that, under the circumstances, will allow the regulated individual to treat patients while protecting public health and safety. Any waivers granted pursuant to this paragraph shall be posted on the Department's website.

6) To ensure the continued operation of the Emergency Medical Services (EMS) system without unduly endangering the people of California during the COVID-19 outbreak, the Director of the California Emergency Medical Services Authority may as necessary and only for the duration of the declared emergency, suspend any licensing, certification, or training requirements for EMS personnel as contained in the EMS Act Chapters 2, 3, and 4, and accompanying regulations, including the authority to permit EMS personnel to provide services in any setting as authorized by the Director for the performance of

the current scope of practice. The Authority shall provide guidance to local emergency medical services authorities directing the appropriate qualifications and scope of practice for each classification operating under a waiver based on sound clinical guidelines and the individual's training, education, and work experience. Any waivers granted pursuant to this paragraph shall be posted on the Authority's website.

7) Notwithstanding the Government Code section 14669, or any other law, the Director of the Department of Developmental Services has the authority to enter into a lease, lease-purchase, lease with option to purchase any real or personal property or any other agreement to procure residences or facilities and necessary equipment, goods or services to serve those individuals with development disabilities in crisis, to respond to, mitigate the effects or prevent the spread of COVID-19 to individuals with developmental disabilities or the general community. The leases or agreements may be executed without the review or prior approval of any other state department or agency. The leases or agreements executed pursuant to this provision shall be in effect so long as necessary to address the COVID-19 crisis or its effects.

8) The Department of Social Services may, to the extent the Department deems necessary to respond to the COVID-19 crisis, allow any state monthly face-to-face caseworker visitation requirement, standard, or criteria set forth in the Welfare and Institutions Code sections 16501.1, subdivision (l), 16516.5, and 16516.6, as well as accompanying regulations or other written directives, policies or procedures, to be accomplished through videoconferencing, instead of in-person contact. This flexibility shall only be utilized by caseworkers in keeping with guidance from the Department and after a child-specific decision based on the training and experience of the social worker, considering all available information, that an in-person visit is not necessary to ensure the child's safety and wellbeing. Any flexibility granted pursuant to this paragraph shall not waive or conflict with applicable federal requirements in United States Code, Title 42, sections 622, subdivision (b)(17) and 624, subdivision (f), as modified for emergency waivers in guidance issued March 18, 2020, in the Child Welfare Policy Manual Title IV-B, section 7.3, question 8 and shall expire at the end of the emergency declaration, in 90 days, or sooner as determined by the Department. 1) The time limitation set forth in Penal Code section 396, subdivision (b), prohibiting price gouging in time of emergency, is hereby waived. All prohibitions against price gouging set forth in subdivision (b) shall be in effect through September 4, 2020.

2) In addition to the prohibitions set forth in Penal Code section 396, a person or other entity (including, but not limited to, any business enterprise of any kind) shall not—from April 4, 2020 until September 4, 2020, and except as set forth below—sell or offer to sell any item from among the following categories of goods for a price that is more than 10 percent greater than the highest price charged by that person or entity for that item on February 4, 2020:

- Medical or emergency supplies; and
- Any other materials previously designated by the U.S. Secretary of Health and Human Services as Scarce Materials or Threatened Materials pursuant to section 102 of the Defense Production Act, 50 U.S.C. § 4512.

A price increase greater than the 10 percent increase specified above shall not be unlawful if the seller can prove either of the following:

a) The increase was directly attributable to additional costs imposed on the seller by suppliers of the item, and the price is no more than 10 percent greater than the total of the cost to the seller plus the markup customarily applied by the seller for that item in the usual course of business on February 4, 2020; or

b) The seller was offering the relevant item for sale at a reduced price on February 4, 2020, and the increased price is not more than 10 percent greater than the price at which the seller ordinarily sold the item.

Additionally, and notwithstanding the foregoing, it shall not be a violation of this Paragraph 2 to sell or offer to sell any medical or emergency supplies to the State (including, but not limited to, any agency, department, board, commission, or office of the State), or to any political subdivision of the State, on terms acceptable to the State or to the relevant political subdivision of the State, as determined by the Governor's Office of Emergency Services (as to sales or offers of sale to the State) or by the officer or entity

within the political subdivision that is responsible for procuring such supplies (as to sales or offers of sale to that subdivision).

3) If a person or other entity (including, but not limited to, any business enterprise of any kind) did not offer an item for sale on February 4, 2020, and that item is among the categories of goods listed in Paragraph 2, that person or entity shall not—from April 4, 2020 until September 4, 2020, and except as set forth below—sell or offer to sell that item for an unconscionably excessive price. For purposes of this Paragraph 3, a price is unconscionably excessive if that price is more than 50 percent greater than whichever of the following applies:

a) The amount that the person or entity paid for the item; or

b) If the person or entity did not purchase the item, the total cost, to the person or entity, of producing and selling the item.

Notwithstanding the foregoing, it shall not be a violation of this Paragraph 3 to sell or offer to sell any medical or emergency supplies to the State (including, but not limited to, any agency, department, board, commission, or office of the State), or to any political subdivision of the State, on any terms acceptable to the State or to the relevant political subdivision of the State, as determined by the Governor’s Office of Emergency Services (as to sales or offers of sale to the State) or by the officer or entity within the political subdivision that is responsible for procuring such supplies (as to sales or offers of sale to that subdivision).

4) Each instance in which an item is sold or offered for sale in a manner prohibited by Paragraph 2 or Paragraph 3 shall constitute a separate violation of this Order. Each violation of this Order shall be a misdemeanor punishable as set forth in Government Code section 8665. Each such violation shall also be redressable in the same manner as any other unlawful business practice under the Unfair Competition Law, Business and Professions Code section 17200 et seq., and as otherwise provided by the laws of the State. 1. A Food Sector Worker, as defined in paragraph 2 below, shall be entitled to supplemental paid sick leave related to COVID-19 (“COVID19 Supplemental Paid Sick Leave”) as follows:

a. Except as set forth in paragraph 3 below, a Hiring Entity (as defined in paragraph 3 below) shall provide COVID-19 Supplemental Paid Sick Leave to each Food Sector Worker (as defined in paragraph 2 below) who performs work for or through the Hiring Entity if that Food Sector Worker is unable to work due to any of the reasons below:

i. The Food Sector Worker is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;

ii. The Food Sector Worker is advised by a health care provider to self-quarantine or self-isolate due to concerns related to COVID-19; or

iii. The Food Sector Worker is prohibited from working by the Food Sector Worker’s Hiring Entity due to health concerns related to the potential transmission of COVID-19.

b. A Food Sector Worker shall be entitled to the following number of hours of COVID-19 Supplemental Paid Sick Leave:

i. A Food Sector Worker is entitled to 80 hours of COVID-19 Supplemental Paid Sick Leave if the Food Sector Worker satisfies either of the following criteria:

1. The Hiring Entity considers the Food Sector Worker to work “full-time”; or
2. The Food Sector Worker worked or was scheduled to work, on average, at least 40 hours per week for the Hiring Entity in the two weeks preceding the date the Food Sector Worker took COVID-19 Supplemental Paid Sick leave.

1. If the Food Sector Worker has a normal weekly schedule, the total number of hours the Food Sector Worker is normally scheduled to work for or through a Hiring Entity over two weeks; or
2. If the Food Sector Worker works a variable number of hours, fourteen times the average number of hours the Food Sector Worker worked each day for or through the Hiring Entity in the six months preceding the date the Food Sector Worker took COVID-19 Supplemental Paid Sick leave. If the Food Sector Worker has worked for the Hiring Entity fewer than six months, this calculation shall instead be made over the entire period the Food Sector Worker has worked for the Hiring Entity.

iii. The total number of hours of COVID-19 Supplemental Paid Sick Leave to which a Food Sector Worker is entitled pursuant to subparagraphs (i) or (ii) above shall be in addition to any paid sick leave that may be available to the Food Sector Worker under Labor Code section 246.

available for immediate use by the Food Sector Worker, upon the oral or written request of the Worker to the Hiring Entity.

v. Over the period this Executive Order is in effect, a Hiring Entity is not required to provide a Food Sector Worker more than the total number of hours of COVID-19 Supplemental Paid Leave to which the Food Sector Worker is entitled pursuant to subparagraphs (i) or (ii) above.

c. Each hour of COVID-19 Supplemental Paid Sick Leave shall be compensated at a rate equal to the highest of: i. The Food Sector Worker's regular rate of pay for the Food Sector Worker's last pay period; ii. The State minimum wage; or iii. The local minimum wage to which the Food Sector Worker is entitled. Notwithstanding the foregoing, in no event shall a Hiring Entity be required to pay more than \$511 per day and \$5,110 in the aggregate over the period this Executive Order is in effect to a Food Sector Worker for COVID-19 Supplemental Paid Sick Leave taken by the Worker.

d. A Hiring Entity may not require a Food Sector Worker to use any other paid or unpaid leave, paid time-off, or vacation time provided by the Hiring Entity to the Food Sector Worker before the Food Sector Worker uses COVID-19 Supplemental Paid Sick Leave, or in lieu of COVID-19 Supplemental Paid Sick Leave.

2. For purposes of this Executive Order, a Food Sector Worker is any person who satisfies all of the criteria set forth in subparagraphs (a) through (d) of this paragraph 2, as follows:

a. The person satisfies any of the following criteria: i. The person works in one of the industries or occupations defined in Industrial Welfare Commission ("IWC") Wage Order 3-2001 § 2(B); IWC Wage Order 8-2001 § 2(H); IWC Wage Order 13-2001 § 2(H); or IWC Wage Order 14-2001 § 2(D); or ii. The person delivers food from a food facility, as defined in Health and Safety Code section 113789(a)-(b), for or through a Hiring Entity.

b. The person is exempt, as an Essential Critical Infrastructure Worker, from the requirements imposed by Executive Order N-33- 20 or any other statewide stay-at-home order; and

c. The person leaves the person's home or other place of residence to perform work for or through the person's Hiring Entity, as defined in paragraph 3 below. 3. For purposes of this Executive Order, Hiring Entity means a private sole proprietorship or any kind of private entity whatsoever—including, but not limited to, any kind of corporation,

partnership, limited liability company, limited liability partnership, or any other kind of business enterprise, and specifically including any Delivery Network Company (as defined in Revenue and Taxation Code section 6041.5(b)) and any Transportation Network Company (as defined in Public Utilities Code section 5431(c))—that has 500 or more employees in the United States. For purposes of this paragraph 2, Code of Federal Regulations, Title 29, section 826.40(a)(1)-(2) shall be used to determine the number of employees that the Hiring Entity employs.

4. Notwithstanding paragraph 1 of this Executive Order, a Hiring Entity shall not be required to provide a Food Sector Worker with COVID-19 Supplemental Paid Sick Leave if the Hiring Entity provides the relevant Food Sector Worker, as of the effective date of this Executive Order, with a supplemental benefit, such as paid leave, that is payable for the reasons listed in paragraph 1(a) above and that would compensate the Food Sector Worker in an amount equal to or greater than the amount the Food Sector Worker would be compensated through taking COVID-19 Supplemental Paid Sick Leave to which the Food Sector Worker would otherwise be entitled under this Order.

5. In addition to such other remedies as may be provided by the laws of this State or its subdivisions (including, but not limited to, the remedies available to redress any unlawful business practice under the Unfair Competition Law, Business and Professions Code sections 17200 et seq.), the Labor Commissioner shall enforce the provision of COVID-19 Supplemental Paid Sick Leave. For purposes of such enforcement and to implement COVID-19 Supplemental Paid Sick Leave:

a. The Labor Commissioner shall enforce the provision of COVID-19 Supplemental Paid Sick Leave as if such leave constitutes “paid sick days” under Labor Code sections 246(n), 246.5(b)-(c), 247, 247.5, and 248.5.

b. A Food Sector Worker may file a complaint with the Labor Commissioner pursuant to Labor Code section 98 or 98.7.

c. The principles in Labor Code section 249 apply to COVID-19 Supplemental Paid Sick Leave.

d. By April 23, 2020, the Labor Commissioner shall make publicly available a model notice for purposes of Labor Code section 247. For purposes of COVID-19 Supplemental Paid Sick Leave only, if a Hiring Entity’s Food Sector Workers do not frequent a workplace, the Hiring Entity may satisfy the notice requirement of Labor Code section 247(a) by disseminating notice through electronic means, such as by electronic mail.

For purposes of the Labor Code sections cited in subparagraphs (a) through (c), in construing this Executive Order, all Food Sector Workers shall be considered “employees,” any Hiring Entity shall be considered an “employer,” and this Executive Order shall be considered part of the “article” in which those Labor Code sections are codified.

6. The requirement to provide COVID-19 Supplemental Paid Sick Leave as set forth in this Executive Order shall be effective during the pendency of any statewide stay-at-home orders issued by the State Public Health Officer, except that a Food Sector Worker taking COVID-19 Supplemental Paid Sick Leave at the time of the expiration of all such orders shall be permitted to take the full amount of COVID-19 Supplemental Paid Sick Leave to which that Food Sector Worker otherwise would have been entitled under this Order.

7. In addition to the other requirements of this Executive Order, and consistent with Health and Safety Code section 113952, employees working in any food facility, as defined by Health and Safety Code section 113789, shall be permitted to wash their hands every 30 minutes and additionally as needed. This paragraph shall be enforced pursuant to applicable provisions of the Retail Food Code.

April 22, 2020

1) Notwithstanding Welfare and Institutions Code sections 14132.100, 14132.101, 14132.107, 14170 and 14087.325(e)(2), the deadlines for providers to submit, and for DHCS to review, a cost report, change in scope of service request, or reconciliation request are each extended for an additional 90 days beyond the date on which such action would otherwise be due.

2) The time limitations in Welfare and Institutions Code section 14171, subdivisions (e) and (f), and the provision of subdivision (d) making those time limitations mandatory, are suspended. DHCS may conduct administrative hearings and issue final decisions related to the administration or services of Medi-Cal or DHCS notwithstanding the time limitations set forth in section 14171, subdivisions (e) and (f). Notwithstanding the foregoing, DHCS is encouraged to adhere to the timelines set forth in those

subdivisions, to the extent reasonably possible. To the extent DHCS delays a matter under this paragraph, Welfare and Institutions Code section 14171 subdivision (h) is suspended, and interest on an unrecovered overpayment shall not accrue during the delay.

3) Notwithstanding any contrary provision of California Code of Regulations (CCR), Title 22, sections 42131 et seq., 42140 et seq., 42180 et seq., and 42700, DHCS is authorized to hold the fair hearing process for California Children's Services grievances and appeals by phone or video conference.

4) The requirement that in-person signatures and printed names be collected in connection with certain deliveries of certain Medi-Cal covered drugs, as set forth in Welfare and Institutions Code section 14043.341, is suspended. Notwithstanding any provision of state law, deliveries to which section 14043.341 otherwise applies may be conducted using any form of delivery-service tracking or electronically documented proof of delivery.

5) Notwithstanding the uncodified provisions of section 77 of AB 1762 (Chapter 230, Statutes of 2003), use of the Laboratory Services Reservation System shall not be required in connection with COVID-19 testing.

6) Notwithstanding Welfare and Institutions Code section 14043.75 or any other provision of law (including, but not limited to, the Administrative Procedure Act, Government Code section 11340 et seq.) DHCS may, for the purpose of responding to the effects of COVID-19, issue bulletins or guidance related to provider enrollment without advance notice or public hearing.

7) Notwithstanding Health and Safety Code section 11834.10(a) and California Code of Regulations, Title 9, sections 10513, concerning licensed substance abuse disorder services residential treatment facilities, DHCS may authorize a licensee otherwise subject to those sections to operate beyond the conditions and limitations otherwise imposed on that licensee, for the purpose of ensuring sufficient bed capacity amongst such licensees. Any such authorization shall be individualized to a particular facility, and each such authorization shall be in writing and posted on DHCS' website. Additionally, California Code of Regulations, Title 9, 10522(a)(2) is suspended to the extent it requires a physical site visit in connection with an application for a license to operate any substance abuse disorder services residential treatment facility.

8) Welfare and Institutions Code sections 4080(d), 4096.5(d) and 5675(b); California Code of Regulations, Title 9, sections 531, 532(a), 534(d), and 1918-1938; California

Code of Regulations, Title 22, sections 72443- 72475 and 77012; and the Interim Short-Term Residential Treatment Program (STRTP) Regulations, Version II, sections 17(d) and (e), and 20(d), 24(a) and (b) are suspended to the extent they would restrict DHCS from granting Short Term Residential Treatment Programs, Special Treatment Programs, Psychiatric Health Facilities, Mental Health Rehabilitation Centers, Community Treatment Facilities, Community Residential Treatment Systems/Social Rehabilitation Programs and Psychiatric Health Facilities flexibility related to staffing requirements, and to the extent they would restrict DHCS from suspending on-site program reviews. DHCS shall implement this paragraph in consultation with the Department of Social Services; shall issue an Information Notice prior to any administrative implementation of this paragraph; and shall post on its website information about the implementation of this paragraph, which shall include the letter of approval (as to each particular facility) of any flexibility related to staffing requirements that DHCS grants to a facility.

9) Notwithstanding Welfare and Institutions Code section 14711(c), DHCS may reimburse county behavioral health departments for administrative costs related to specialty mental health services up to 30 percent of the total actual cost of direct client services.

10) Health and Safety Code sections 11836.12 and 11837.3(a)(1), and California Code of Regulations, Title 9, section 9876.5(b) are suspended to the extent they would prevent DUI educational programs from receiving grant or other funding in lieu of raising fees, to the extent they would prevent DHCS from suspending on-site inspections in connection with any application for a license to conduct such a program (including, but not limited to, an initial application or a renewal of a license), and to the extent they would prevent blanket leaves-of absence for participants in such programs if that program's operations are suspended.

11) California Code of Regulations, Title 9, section 852 is suspended to the extent it prevents a patient from receiving psychiatric medication without the patient's physical signature.

12) California Code of Regulations, Title 9, section 13035(f)(1) is suspended to the extent it would prevent DHCS from providing Alcohol or Other Drug (AOD) counselors an extension of time to complete their certification if their efforts to become certified are impacted by the COVID-19 emergency.

13) Notwithstanding Health and Safety Code sections 1342.8 and 1380.3, as well as Welfare and Institutions Code sections 14182(b)(9), 14456, and 14459.5, DHCS may

temporarily delay or suspend—and may permit Medi-Cal managed care plans to temporarily delay or suspend—annual medical audits, surveys of physician offices, facility site reviews, plan and county data collection from providers, and similar audit or review activities.

14) The timeframes in Welfare and Institutions Code section 14182(c)(12)(A) are suspended. DHCS may allow Medi-Cal managed care plans to conduct beneficiary risk assessments according to any timeframe approved by DHCS not to exceed an additional 90 days after the timeframes in section 14182(c)(12)(A). Additionally, to the extent section 14182(c)(12)(A) would impose any limitation on the performance of such assessments by phone or video conference, any such limitation is suspended.

15) Health and Safety Code sections 123950 and 123870(b) and California Code of Regulation, Title 2, section 60330 are suspended to the extent they would prevent the California Children's Services Medical Therapy Program from offering physical and occupational therapy services in non-school settings.

16) California Code of Regulations (CCR), Title 22, section 53887(a)(2)(B)(1) is suspended to the extent it would prevent DHCS from extending the deadline for fee-for-service providers to submit information required for a Medical Exemption Request. Such extensions shall not exceed 90 days after the timeframes in section 53887(a)(2)(B)(1).

17) Regulatory action taken by DHCS to implement or interpret this Order shall be exempt from the Administrative Procedure Act, Government Code section 11340 et seq., and may be taken by means of all-plan letters, all-county letters, provider bulletins or other similar instructions.

18) This Order shall be construed to maintain consistency between state law and federal law. Nothing in this Order shall be construed to create any conflict with any provision of federal law, including but not limited to any provision of federal law with which the State has agreed to comply, or with which the State is otherwise expected to comply, in connection with the receipt of federal funds. Additionally, to the extent necessary to implement any waiver of any applicable federal-law requirement approved by the federal Centers for Medicare and Medicaid Services in connection with COVID-19, any provision of state law is suspended to the extent it imposes any requirement equivalent to the waived federal-law requirement.

a) Both applicants are physically present within the State of California, and present such proof of this fact (which may include, but need not be limited to, oral attestation) as the county clerk may require;

b) The videoconference includes both live video and live audio; and

c) During the videoconference, each applicant presents (via videoconference) photo identification consistent with Family Code section 354. A marriage license issued using the procedure set forth in this Paragraph 1 may be transmitted to the applicants via e-mail or other electronic means.

2) Notwithstanding Family Code section 501 or section 502, or any other provision of law, the procedure set forth in Paragraph 1 may also be used in connection with the issuance of a confidential marriage license, for applicants who are otherwise eligible to obtain a confidential marriage license.

3) Notwithstanding Family Code sections 420–422 or any other provision of law, the solemnization of a marriage may occur via videoconference that includes both live video and live audio—in which both parties to be married, the person solemnizing the marriage, and at least one necessary witness (and not more than two such witnesses, as set forth in Family Code sections 420 and 422(b)) all participate—in which the parties to be married declare (while visible and audible to the person solemnizing the marriage and any necessary witnesses) that they take each other as spouses. Additional persons invited by the parties may, but need not, also observe the videoconference. Before the solemnization of a marriage pursuant to this Paragraph 3, one or both of the parties to be married shall transmit the marriage license via e-mail or other electronic means to the person solemnizing the marriage and to any necessary witnesses. Neither the person solemnizing the marriage nor any necessary witnesses need be physically present within the State of California during the solemnization of a marriage pursuant to this Order.

Before the solemnization of a confidential marriage pursuant to this Paragraph 4, one or both of the parties to be married shall transmit the marriage license via e-mail or other electronic means to the person solemnizing the marriage. A person solemnizing a confidential marriage pursuant to this Order need not be physically present within the State of California during the solemnization of the marriage.

6) Nothing in this Order shall in any way alter the grounds for denial of a marriage license set forth in Family Code section 352. Nothing in this Order shall in any way restrict the authority of a county clerk to examine the applicants for a marriage license on oath or to require additional documentary proof as set forth in Family Code section 354. not—be completed via e-mail or otherwise electronically, in the discretion of the county clerk.

7) The provisions of this Executive Order shall expire 60 days after issuance, unless further extended by future Executive Order

4) Welfare and Institutions Code section 11052.5 is suspended to the extent that it requires CalWORKs applicants to undergo an interview before being granted public assistance if a County Welfare Department has verified the identity of the applicant and has completed all other mandatory verifications pursuant to Chapter 2 of Part 3 of

Directive to State Public Health Officer to Establish Criteria for Allowing Local Reopening Plans in Response to COVID-19

May 4, 2020

1) All residents are directed to continue to obey State public health directives, as made available at <https://covid19.ca.gov/stay-homeexcept-for-essential-needs/> and elsewhere as the State Public Health Officer may provide.

2) As the State moves to allow reopening of lower-risk businesses and spaces (“Stage Two”), and then to allow reopening of higher-risk businesses and spaces (“Stage Three”), the State Public Health Officer is directed to establish criteria and procedures—as set forth in this Paragraph 2—to determine whether and how particular

local jurisdictions may implement public health measures that depart from the statewide directives of the State Public Health Officer.

In particular, the State Public Health Officer is directed to establish criteria to determine whether and how, in light of the extent to which the public health is menaced by COVID-19 from place to place within the State, local health officers may (during the relevant stages of reopening) issue directives to establish and implement public health measures less restrictive than any public health measures implemented on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

The State Public Health Officer is further directed to establish procedures through which local health officers may (during the relevant stages of reopening) certify that, if their respective jurisdictions are subject to proposed public health measures (which they shall specify to the extent such specification may be required by the State Public Health Officer) that are less restrictive than public health measures implemented on a statewide basis pursuant to the statewide directives of the State Public Health Officer, the public health will not be menaced. The State Public Health Officer shall additionally establish procedures to permit, in a manner consistent with public health and safety, local health officers who submit such certifications to establish and implement such less restrictive public health measures within their respective jurisdictions.

The State Public Health Officer may, from time to time and as she deems necessary to respond to the dynamic threat posed by COVID19, revise the criteria and procedures set forth in this Paragraph 2. Nothing related to the establishment or implementation of such criteria or procedures, or any other aspect of this Order, shall be subject to the Administrative Procedure Act, Government Code section 11340 et seq. Nothing in this Paragraph 2 shall limit the authority of the State Public Health Officer to take any action she deems necessary to protect public health in the face of the threat posed by COVID-19, including (but not limited to) any necessary revision to the four-stage framework previously articulated by the State Public Health Officer.

3) Nothing in this Order shall be construed to limit the existing authority of local health officers to establish and implement public health measures within their respective jurisdictions that are more restrictive than, or that otherwise exist in addition to, the public health measures imposed on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

i) The property for which taxes were not paid is either: a. residential real property occupied by the taxpayer, or b. real property owned and operated by a taxpayer that qualifies as a small business under the Small Business Administration's Regulations, Code of Federal Regulations, Title 13, section 121.201;

Revenue and Taxation Code section 4985.2, subdivision (a) is suspended to the extent necessary to implement this Paragraph 1.

2) The taxes owed on a property by a taxpayer making payments pursuant to an installment plan under Revenue and Taxation Code section 4837.5 or Revenue and Taxation Code, Part 7, Chapter 3 (commencing with section 4186) shall not be considered delinquent under Paragraph 1 of this Order if, on or before March 4, 2020, all payments required by the plan were made.

3) Paragraph 1 shall not apply to any property for which taxes are paid through an impound account.

4) Revenue and Taxation Code section 441, subdivision (b), and section 463, subdivision (a), are suspended until May 31, 2020 to the extent that either imposes a penalty for failing to file a property statement on or before May 7, 2020, such that no penalty shall be imposed upon a taxpayer if the taxpayer files a personal property tax statement as required by Revenue and Taxation Code section 441(a) on or before May 31, 2020.

COVID-19 Time-Limited Rebuttable Presumption for Worker's Compensation

May 6, 2020

1) Any COVID-19-related illness of an employee shall be presumed to arise out of and in the course of the employment for purposes of awarding workers' compensation benefits if all of the following requirements are satisfied:

a. The employee tested positive for or was diagnosed with COVID19 within 14 days after a day that the employee performed labor or services at the employee's place of employment at the employer's direction;

b. The day referenced in subparagraph (a) on which the employee performed labor or services at the employee's place of employment at the employer's direction was on or after March 19, 2020;

c. The employee's place of employment referenced in subparagraphs (a) and (b) was not the employee's home or residence; and

d. Where subparagraph (a) is satisfied through a diagnosis of COVID-19, the diagnosis was done by a physician who holds a physician and surgeon license issued by the California Medical Board and that diagnosis is confirmed by further testing within 30 days of the date of the diagnosis.

2) The presumption set forth in Paragraph 1 is disputable and may be controverted by other evidence, but unless so controverted, the Workers' Compensation Appeals Board is bound to find in accordance with it. This presumption shall only apply to dates of injury occurring through 60 days following the date of this Order.

3) Notwithstanding Labor Code section 5402, if liability for a claim of a COVID-19-related illness pursuant to Paragraph 1 is not rejected within 30 days after the date the claim form is filed under Labor Code section 5401, the illness shall be presumed compensable, unless rebutted by evidence only discovered subsequent to the 30-day period.

4) An accepted claim for the COVID-19-related illness referenced in Paragraph 1 shall be eligible for all benefits applicable under the workers' compensation laws of this state, including full hospital, surgical, medical treatment, disability indemnity, and death

benefits, and shall be subject to those laws including Labor Code sections 4663 and 4664, except as otherwise provided in this Order.

5) Notwithstanding any applicable workers' compensation statute or regulation, where an employee has paid sick leave benefits specifically available in response to COVID-19, those benefits shall be used and exhausted before any temporary disability benefits or benefits under Labor Code section 4850 are due and payable. Where an employee does not have such sick leave benefits, the employee shall be provided temporary disability benefits or Labor Code section 4850 benefits if applicable, from the date of disability. In no event shall there be a waiting period for temporary disability benefits.

6) To qualify for temporary disability or Labor Code section 4850 benefit payments under this Order, an employee must satisfy either of the following:

a. If the employee tests positive or is diagnosed under Paragraph 1 on or after the date of this Order, the employee must be certified for temporary disability within the first 15 days after the initial diagnosis, and must be recertified for temporary disability every 15 days thereafter, for the first 45 days following diagnosis; or

b. If the employee tested positive or was diagnosed under Paragraph 1 prior to the date of this Order, the employee must obtain a certification, within 15 days of the date of the Order, documenting the period for which the employee was temporarily disabled and unable to work, and must be recertified for temporary disability every 15 days thereafter, for the first 45 days following diagnosis.

All employees must be certified for temporary disability by a physician holding a physician and surgeon license issued by the California Medical Board. The certifying physician can be a designated workers' compensation physician in an applicable Medical Provider Network or Health Care Organization, a predesignated workers' compensation physician, or a physician in the employee's group health plan. If the employee does not have a designated workers' compensation physician or group health plan, the employee should be certified by a physician of the employee's choosing who holds a physician and surgeon license.

7) The Administrative Director of the Division of Workers' Compensation shall adopt, amend, or repeal any regulations that the Administrative Director deems necessary to implement this Order. Ensure that Californians can exercise their right to vote in a safe, secure and accessible manner during the upcoming election

1) As provided by Executive Order N-64-20, all Californians who are registered (and otherwise eligible) to vote in the November 3, 2020 General Election shall receive vote-by-mail ballots. Consistent with Elections Code section 2226, this provision is not intended, and shall not be construed, to mean that voters in an inactive voter registration status shall receive vote-by-mail ballots in connection with the November 3, 2020 General Election.

2) Notwithstanding any contrary provision of state law (including, but not limited to, Elections Code sections 3019.5 and 3019.7), all county elections officials are required to use the Secretary of State's vote-by mail ballot tracking system, created pursuant to Elections Code section 3019.7, and to use Intelligent Mail Barcodes on all vote-by-mail ballot envelopes.

3) Notwithstanding any contrary provision of state law (including, but not limited to, any such provision of Elections Code sections 12200–12286 or 12288, and specifically including the requirement in Elections Code section 12286(a)(3) that at least one polling place be designated per precinct), a county that is not subject to the California Voter's Choice Act shall not, in connection with the November 3, 2020 General Election, be required to make available more than one polling place per 10,000 registered voters, as long as the county complies with all of the following conditions: a) At least one polling place per 10,000 registered voters is made available for voting during the following

hours: i) From Saturday, October 31, 2020, through Monday, November 2, 2020, for at least eight hours (during regular hours convenient for members of the public) each day; and ii) On Tuesday, November 3, 2020, from 7 a.m. until 8 p.m. b) At least the following number of vote-by-mail ballot drop-off locations (as defined in Elections Code section 3025(a)(2)) is made available for ballot drop-off beginning no later than 9 a.m. on Tuesday, October 6, 2020, and continuing during regular business hours each day through the close of voting on Tuesday, November 3, 2020: i) At least one vote-by-mail ballot drop-off location per 15,000 registered voters; and ii) Not less than two vote-by-mail ballot drop-off locations regardless of the number of registered voters; and c) At least one vote-by-mail ballot drop-off location required by subparagraph (b) is fully accessible to the public for at least twelve hours each day (during regular hours convenient for members of the public) between Tuesday, October 6, 2020 and Tuesday, November 3, 2020, inclusive.

4) Notwithstanding any contrary provision of state law (including, but not limited to, any such provision of Elections Code section 4005 or section 4007, as applicable), a county that is subject to the California Voter's Choice Act shall not, in connection with the November 3, 2020 General Election, be required to open any vote center (as that term is used in Elections Code sections 357.5, 4005, and 4007) prior to Saturday, October 31, 2020. Counties are nevertheless encouraged to open vote centers earlier, where feasible and as conditions warrant, to maximize opportunities for voter participation in the November 3, 2020 General Election.

5) Notwithstanding any contrary provision of state law (including, but not limited to, any such provision of Elections Code section 4005(a)(10)), no county elections official shall be required to conduct any in-person public meetings or workshops in connection with the preparation of plans for the administration of the November 3, 2020 General Election, as long as a draft of each such plan is posted on the relevant county election official's website in a manner consistent with Elections Code section 4005(a)(10)(E)(iii) and the relevant county elections official accepts public comment on the draft plan for at least 10 days. Counties are encouraged to take additional steps, where feasible, to facilitate and encourage public participation in the development of such plans.

6) Nothing in this Order is intended, or shall be construed, to limit a county's ability to fulfill the requirements imposed on that county by existing law (including, but not limited to, any provision of law conditionally suspended by Paragraph 3 as to counties not subject to the California Voter's Choice Act) concerning procedures for the November 3, 2020 General Election. In particular, any county described in Paragraph 3 that complies with all such requirements applicable to that county (and that therefore need not avail itself of the conditional suspension set forth in Paragraph 3) may do so

without additionally satisfying any separate requirements that would otherwise be imposed by Paragraph 3. Additionally, where feasible, counties are encouraged to exceed the minimum requirements imposed by this Order, or otherwise imposed by law in connection with the administration of the November 3, 2020 General Election, to maximize opportunities for voter participation in that election.

7) The Legislature and the Secretary of State are requested to continue working in partnership with my Administration to ensure that the November 3, 2020 General Election is safe, secure, and accessible for all, including by ensuring (and by working with county elections officials to ensure) that there is sufficient voter education and outreach to prepare voters to participate in that election. Nothing in this Order is intended, or shall be construed, to limit in any way the enactment of legislation concerning the November 3, 2020 General Election.
