

March 15th, 2023

Thank you for all your help getting elected to the House of Representatives. Because of your support, we were the campaign that fired Nancy Pelosi, claiming the majority-making 218th Republican seat in the 118th Congress. And we've already had major victories in D.C.

It's hard to believe, but reelection is not far away. As a way to bring together our closest supporters and stay in touch on a regular basis, I'd like to invite you to be part of the Kiley Cabinet.

- ◇ You'll be invited to a quarterly KC Roundtable, which you can join in person or remotely, where we'll discuss what is happening in Congress. Shannon will also keep you posted on when I am back in California if you'd like to meet individually.
- ◇ You'll be invited to a Signal group (essentially a group text with greater security) where we can have ongoing discussions.
- ◇ You'll be welcome to attend, bring guests, and be recognized at all fundraisers, and will have first priority when capacity is limited. You can even wear the special pin we'll send you.
- ◇ You'll receive a monthly KC Newsletter, similar to the Top Supporter emails from last year but more in depth.
- ◇ If you'd like, we can opt you out of all fundraising emails and mailings so that you only receive substantive posts.

California is moving up its Primary in 2024 to March, which means that candidate filing begins in November of this year - just nine months from now. We also have our first quarterly fundraising deadline on March 31, which potential opponents will be paying close attention to. Showing strength early will deter opposition.

The FEC has just announced the contribution limits for the 2023-2024 campaign cycle. An individual can give a total of \$6,600 (\$3,300 for the Primary and General). A couple can give a total of \$13,200.

I'm hopeful the Cabinet will be a way to build an even stronger community of supporters that provides not only the financial resources to keep our district Republican, but the friendship, encouragement, and wisdom that have been so important to our success so far.

Sincerely,
Kevin
